MEMORANDUM FOR: Chief, CI/OA

SUBJECT : AEDOGMA/1, C-36678

1. It is requested that Subject's provisional Operational approval be extended to 27 August 1960.

2. As you know from our memorandum of 25 February 1960, we failed to ask the [ ] for a new PRQ Part II at the time we requested an operational approval for his use by [ ]. Unfortunately, at the time the [ ] received such a request, March 1960, AEDOGMA/1 was quite ill from a cause that could not be diagnosed. Because of the bizarre circumstances of the agent's illness and the necessity of transferring the agent to Munich for treatment, we feel that our request was overlooked. We have sent a reminder to the [ ] and expect to receive the PRQ Part II in the near future.

3. For additional information, please call [ ], X 8757.
